

# Butler County SPARKS Business Grant Program

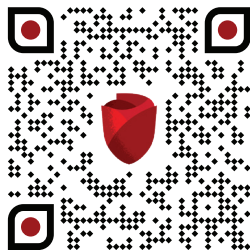

- Grants of up to \$10,000 will be awarded based on demonstrated revenue loss due to the pandemic.
  - Applications accepted via Chambers of Commerce in Andover, Augusta, El Dorado and Rose Hill, and Butler County Community Development for businesses located in all other cities and unincorporated areas of the County.
  - All funds will be distributed to businesses by December 1.
  - Must be a for-profit business located and operate out of a physical location in Butler County, 50 employee maximum to be eligible.
  - There can not be duplication of federal funds.
- \* See application instructions for all eligibility and documentation requirements.
- \*\* Applications will be reviewed by order of arrival. No preference will be given to businesses who are members of their respective chamber.
